

YOUR CAREER STARTS HERE.

ON-THE-JOB EDUCATION FOR THE CAREER YOU WANT.

Ready to take the next step in your career and become a **Brandt Certified Welder**? Brandt is offering an exclusive on-the-job **Brandt Welding Training Program** to current employees. This program will allow you to advance your career by challenging yourself, adding new skills to your arsenal, and opening new opportunities for promotion.

Why start your education with this Brandt University training program?

- ① Train in GMAW, MCAW, and FCAW welding technology.
- ② Learn the skills you really need to be a Brandt Welder. This program will give you the skillset you need to weld high-quality Brandt products.
- ③ Training takes place at our 320 Mill St. location.
- ④ Both theory and hands-on training are provided through a structured training curriculum.
- ⑤ This simple, streamlined course delivers the exact training you need to be a successful welder at Brandt.

DETAILS

- Classes start early **2022**.
- Full-time 3-week courses will take place on an ongoing basis.
- 8:00 am – 4:30 pm Monday through Friday.

EMPLOYEE TRAINING BENEFITS

- **Earn regular pay** while you are training! No need to apply for EI or spend your off-time in classes.
- Tuition and textbook **costs are covered** for current employees who enroll in the program.
- An opportunity to **learn a new skill** and enhance your long-term advancement potential.

Contact your supervisor or manager for details, and to register.

We know that our employees are the foundation of our success, and we want to invest in your success at every stage of your career. With Brandt, you can go from an entry-level position to running your own department. Your hard work and dedication are recognized and rewarded along the way with opportunities for growth and advancement, and enrolling in on the job training through Brandt University will open even more doors to take your career to new heights.
