JOHN DEERE

JDLink™

Profit from good information!

Detailed telematics data from JDLink™ helps you stay connected to your equipment and ensures your profitability through:

- 1 **Increased Productivity**
Select the right machine for the job and monitor operator effectiveness.
- 2 **Maximum Uptime**
Quickly track and address fault code alerts and manage maintenance intervals.
- 3 **Lower Daily Operating Costs**
Track utilization (fuel consumption, engine hours/load, idle time, distance traveled, tire pressure, etc.) and prevent theft.

A five-year JDLink™ subscription comes standard on most new equipment purchases and features:

- Geofencing and curfew
- Machine grouping
- Alert escalation options
- Dealer data services/third-party access
- JDLink™ mobile app
- Dual-mode satellite option
- On-demand updates

Renew and upgrade today!

Know your fleet.

Brandt FleetWise™
Machine Monitoring & Maintenance System

Presenting Brandt's Complete Machine Monitoring & Maintenance System

They say you can't manage what you can't measure, but measuring the efficiency of your fleet has always been the hard part. Now, Brandt **FleetWise™** gives you continuous control with all-in-one machine monitoring for your whole fleet – ALL MAKES – and allows you to focus on making money rather than scheduling oil changes, tracking trouble codes and wondering what your equipment is up to.

Contact us at JDLink@brandt.ca or call
1-855-453-5465 for more details.
