Brandt Launches New Machines at CONEXPO-CON/AGG 2023

Brandt is excited to attend CONEXPO-CON/AGG 2023 and launch their HX120 hydrovac, BMH40A material handler, and lineup of new heavy haul trailers.

“The equipment we’re launching is more than just a collection of new machines. Each one is a testament to our customer-centric approach to product development,” says Chris Semple, President—Manufactured Products at Brandt. “When our customers tell us what they need, we listen, and then we deliver.”

The media is invited to the following events:

- March 14, 3 p.m., Booth S-5304, Silver Lot—Product launch for the BMH40A material handler
- March 15, 1 p.m., Booth S63929, South Hall—Product launch for the HX120 hydrovac
- March 17, 1 p.m., Booth S63929, South Hall—Product launch for the lineup of new heavy haul trailers
