January 30, 2017

## AHW partners with Brandt to serve Midwestern farmers.

Full line of premium grain handling products now available locally.

Brandt Agricultural Products Ltd is pleased to announce the newest addition to their rapidly growing Midwestern dealer network. Illinois and Indiana-based AHW LLC will now be providing premium-quality Brandt products to their local farmers.

**“This is an exciting day for us. AHW is a highly-respected group with a long history and a strong reputation and we’re pleased to be adding them to our team,”** says Brandt Agricultural Products Southern U.S. Sales Manager, Russell Solomon.

With 16 locations across two states, AHW gives Brandt a strong presence in an important market; enhancing the company’s ability to provide premium-quality grain handling equipment and proactive, locally-based service to farmers in Illinois and Indiana.

**“Brandt grain-handling equipment fits very well alongside our John Deere lineup,”** adds AHW Regional Sales Manager, Brian Walker. **“We are very selective about which products we offer to our customers and these high-quality units are an excellent addition to our portfolio.”**

Brandt Agricultural Products engineers and manufactures the most complete line of premium grain handling equipment on the market. Their complete line of augers, conveyors, grain vacs, grain carts, heavy harrows, and grain bag bagging equipment is distributed across the United States, Canada, and around the world.
