Brandt Proudly Supports the Royal Canadian Legion, Regina Branch 001.

In recognition of nearly a century of tireless service to Regina's veterans community, The Brandt Group of Companies is proud to demonstrate their support for the Royal Canadian Legion, Regina Branch 001 with a cash donation of \$5000.

"The Legion has been dedicated to improving the quality of life for Canadian veterans and their families for over 90 years," says Shaun Semple, President of the Brandt Group of Companies. **"We are proud to support their efforts so they can continue this important work."**

Established in 1926, RCL Branch 001 was Canada's first chartered legion. It plays a significant role in the local community, offering critical programming, including mental health, addictions, and financial support to veterans in Regina.

A recent decline in membership and changes in building ownership have resulted in increased expenses for the RCL Branch 001. Due to this downturn, the Legion has reached out to the community for help, starting an online GoFundMe campaign in search of donations. In addition to their initial contribution, The Brandt Group of Companies will match community donations made before November 11, 2018 up to an additional \$5000.

Donations can be mailed or dropped off at the Royal Canadian Legion, Regina Branch 001:
