Brandt set to hire over 300 new positions, defying economic trends

REGINA, SK -- Brandt Group of Companies announced today they are seeking to fill more than 300 new positions within their five divisions as a result of their perpetual growth and success, despite a challenging global economy.

Positions available for immediate hire include service technicians, trades, engineers, sales, customer support, management, manufacturing, and administration. Brandt is actively recruiting across Canada, the United States, and internationally, looking to add key people to their aggressive and dynamic team.

Brandt President Shaun Semple said, **"In a time where news of job losses and lay-offs seem commonplace, Brandt is bucking the trend, managing to succeed and add hundreds of quality, full-time positions to our team despite challenging economic realities. Brandt offers hope and prosperity to those seeking a better opportunity with a strong, stable, and growing company."**

Brandt is a Canadian success story with an 80-year history of growth and innovation. Today, Brandt is one of Canada's largest privately owned companies. The company has become a major player in a variety of business sectors including industrial equipment sales and service, agricultural equipment manufacturing, specialized railroad maintenance equipment, and mining and tube and pipe equipment. Brandt has consistently been recognized as one of Canada's 50 Best Managed Companies.
